

Waste Strategy for WA – Have Your Say

The responsible and effective management of waste is an important issue which affects all West Australians, every day.

After consultation the Minister for Environment has approved the Waste Authority to release a draft of a Waste Strategy for Western Australia. We want to hear what you think about it

Over the next three months we want you to get involved: read the strategy, ask us questions and share your opinions - this is your opportunity to have input into how waste is managed in Western Australia in the future.

Whether you run your own business, work in the waste management industry or are a concerned community member, we want to hear your views.

Public Workshops:

Albany	28 October 2009
Geraldton	4 November 2009
Bunbury	10 November 2009
Port Hedland	17 November 2009
Kalgoorlie	20 November 2009
Perth	30 October, 6 and 13 November 2009

Stakeholder Workshops:

Stakeholder workshops will be held in Perth 19 – 23 October 2009. For more details on these workshops, please go to the official community consultation website.

To facilitate the community consultation process, we have set up an interactive website, www.YourSayWasteWA.com.au, where you can:

- Find details of our workshop program, which includes:
 - regional and metropolitan public workshops
 - stakeholder workshops in Perth for key industry groups
 - an interactive webinar
- Register for workshops
- Access the draft strategy
- Read and post comments on the draft strategy and the public consultation process
- Read and post written submissions
- View Frequently Asked Questions, including how to best make a written submission
- Access media coverage relating to the draft waste strategy

You can review the draft strategy at your public library or online at www.YourSayWasteWA.com.au.

Don't miss this opportunity to have your say: www.YourSayWasteWA.com.au
