

Waste Authority

PRIORITY AREAS FOR FUNDING STRATEGIC WASTE INITIATIVES SCHEME (SWIS) 2010

Round 2 2010

Commercial and Industrial Waste Recovery and Recycling (C&I)

Applications invited for innovative projects which address the C&I waste stream and align with the draft state waste strategy.

Construction and Demolition Waste Recovery and Recycling (C&D)

Funds to be made available for projects in the development & support of C&D waste recycling in regional areas of the state.

Applications for funding of C&D trials in the metro area will not be considered in this round as a number of trials have been funded in recent rounds.

E-Waste

Following the commencement of a number of e-waste collection programs, the emphasis for this waste stream is now on reprocessing.
